## LUNA SERIES

Luna balances are designed with an array of features and functions to accommodate most lab applications. The Luna range offers improved performance for faster, more accurate readings.

**ANALYTICAL BALANCE**

**PRECISION BALANCE**

**PRECISION BALANCE**

Article	ANALYTICAL BALANCE		PRECISION BALANCE			
	LAB254I	LPB 223E	LPB 623E	LTB 3602E	LTB 6002E	LBB 15001E
	10647633	10616015	10616309	10637774	10637776	10616312
Capacity	250g	220g	620g	3600g	6000g	15000g
Readability	0.0001g	0.001g	0.001g	0.01g	0.01g	0.1g
Pan Size	80mm ø	120 mm ø		185x185mm		
Windshield	Yes			No		
Power Supply	18VDC Adapter					
Interface	RS-232 / USB					

**Feature :**

- USB and RS-232 interfaces

- Vivid backlit LCD easily visible in any lighting conditions

- Print outs include date and time for data tracking

## HIGHLAND PORTABLE PRECISION BALANCE

Highland precision balances are well suited for lab-work, field use, and many industrial applications

**HIGHLAND HCB 602H**

**HIGHLAND HCB 2202**

**Feature :**

- Solid ABS housing is durable for industrial use

- Audible overload alarm warns when capacity is exceeded

- Shockprotect® helps protect from overload damage

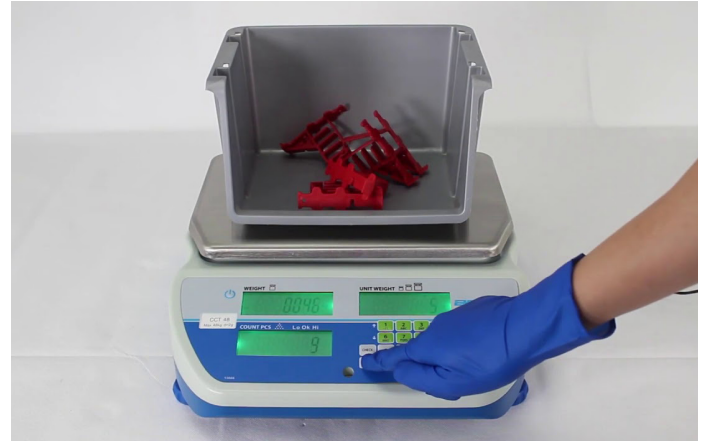

Article	HCB 602H	HCB 2202	HCB 6001
	10616165	10616017	10616430
Capacity	600g	2200g	6000g
Readability	0.01g	0.01g	0.1g
Pan Size	120 mm ø		145 mm ø
Power Supply	Rechargeable Battery		
Interface	RS-232 / USB		

## BENCH COUNTING SCALE

Ideal use in, warehouse, manufacturing process, and production Cruiser CCT Counting scales are practical for any counting application. Quickly check the number of pieces in a carton or container to reduce waste when filling orders or packing shipments. Intuitive software is user-friendly and keeps track of the count, automatically optimising the unit weight for greater accuracy

**5 year warranty**

BENCH COUNTING SCALE

Article	CCT8UH	CCT16
	10637595	10637482
Capacity	8kg	16kg
Readability	0.05g	0.5g
Pan Size	300x210mm	
Power	Rechargeable Battery	
Interface	RS-232	

**Feature :**

- CCT Stores up to 140 Plus in memory
- RS-232 interface
- Rechargeable battery included for operation almost anywhere

## LABEL PRINTING COUNTING SCALES

BCT Advanced label printing scales offer a removable, easy to clean stainless steel platform, providing an excellent value for industrial counting tasks. Store and recall up to 1006 Plus or piece weights to improve efficiency in production or warehouse applications. The BCT features a built-in printer that prints weight, QR codes, bar codes, and labels, which can be customized on a computer using the included software.

**3 year warranty**

LABEL PRINTING SCALE  
BCT 32

LABEL PRINTING SCALE  
BCT 150

Article	BCT 32	BCT 150
	10637594	10618748
Capacity	32kg	150kg
Readability	1g	10g
Pan Size	400x300mm	500x400mm
Power Supply	Rechargeable Battery	
Interface	RS-232	

**Feature :**

- BCT Stores up to 1006 plus in Memory

- Printing weight, QR Codes, Barcode Label

- Rechargeable battery included for operation almost anywhere

## WASHDOWN SCALE

Built to withstand the harsh working conditions, Aqua washdown scales are rated IP67 and feature a large removable stainless steel weighing pan. Ideal for food production, catering and industrial environments, precision looks technology enables improved performance and greater efficiency during weighing and counting tasks.

**3 year warranty**

WASHDOWN SCALE

Article	ABW 8	ABW 16
		10618826
Capacity	8kg	16kg
Readability	1g	2g
Pan Size	245 x 180mm	
Power Supply	Rechargeable Battery	
Protection	IP67	

**Feature :**

- IP67 rated for protection against water dust
- Solid ABS Housing is durable for industrial use
- Application for weighing, parts counting, Percentage, Checkweighing

## GLADIATOR WATERPROOF PLATFORM SCALE

Combining durability and performance, gladiator scales achieve washdown weighing tasks in the most demanding food, pharmaceutical and industrial application. With an IP68 rating for washdown capabilities, Gladiator features easy to clean stainless steel construction that is ideal for wet and dusty environments. Connectors on the bottom are IP68-rated for thorough protection.

GLADIATOR WATERPROOF SCALE GGB35

GLADIATOR WATERPROOF SCALE GGL150

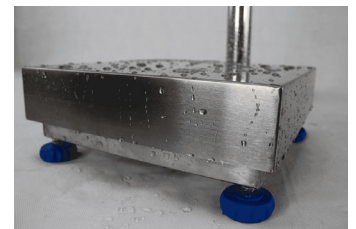

**5 year warranty**

**Feature :**

- Rugged stainless steel housing for ultimate durability

- IP-68 Rated for protection against water and dust

Article	GGB35	GGL150
		10637483
Capacity	35kg	150kg
Readability	1g	5g
Pan Size	300x400mm	600x450mm
Power Supply	Rechargeable Battery	
Protection	IP68	
Interface	RS-232	

- RS-232 interface

## CHECKWEIGHING PLATFORM SCALE

The GBK-Plus and GFK-Plus bench and floor checkweighing scales are designed to stand up to the demands of rigorous industrial applications.

PLATFORM SCALE  
GBK PLUS 60

PLATFORM SCALE  
GFK PLUS 150

**5 year  
warranty**

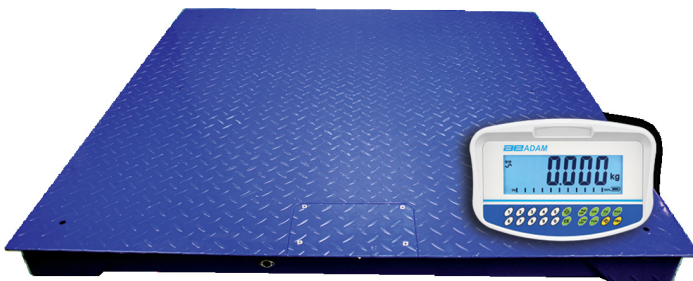

**Feature :**

- RS-232 interface provides
- Checkweighing with Backlight changes colour
- Parts counting with preset sample sizes

Article	GBK-PLUS 60	GFK-PLUS 150
		10637590
Capacity	60kg	150kg
Readability	2g	10g
Pan Size	300x400mm	400x500mm
Power Supply	Rechargeable Battery	
Interface	RS-232	

## HEAVY DUTY FLOOR SCALE

PT industrial scales offer durability and quality construction for a variety of different applications. The PT features a large, steel base with a diamond plate surface, adjustable leveling feet and cable.

FLOOR SCALE PT 312 GK-PLUS

**3 year  
warranty**

**Feature :**

- Diamond-plate surface for added grip
- Optional ramps facilitate loading and unloading
- Optional display stand indicator

Article	PT 312 GK-PLUS
Capacity	3ton
Readability	0.5kg
Pan Size	1200x1200mm

## INDUSTRIAL CRANE SCALE

The HIS & LHS crane scale offers a strong, safe solution for weighing heavy, suspended loads in industrial shipping and production operations. LHS and IHS crane scales feature die cast aluminium housing

CRANE SCALE  
LHS 500

CRANE SCALE  
IHS 1

CRANE SCALE  
IHS 5

**3 year  
warranty**

**Feature :**

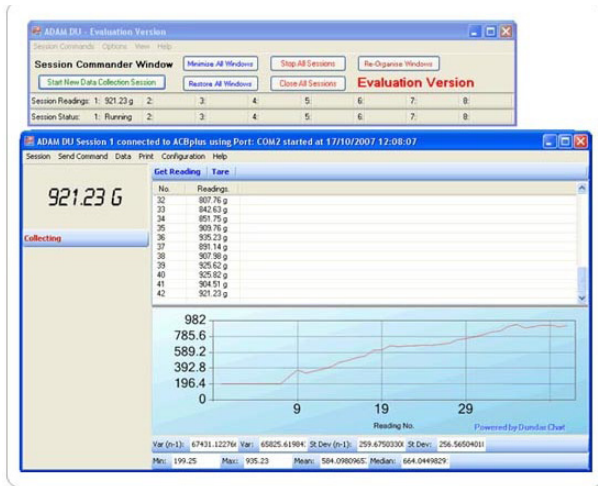

- Remote control allows safe, hands-free operation
- Rechargeable battery

Article	LHS 500	IHS 1	IHS 5
		10616320	10616047
Capacity	500kg	1 ton	5 ton
Readability	0.1kg	1kg	2kg
Power Supply	Rechargeable battery		

## ADAM DU DATA COLLECTION - 10618851

AdamDU (Data Utility) software lets you easily capture data from Adam Equipment balances and scales for immediate analysis or export to other applications.

ADAM DU 10618851

**Feature :**

- Export readings in text, CSV, HTML or XML format, directly to Microsoft® Excel or Word
- Support up to 8 balance or scale

## AVT ANTI VIBRATION TABLE - 10619204

The AVT allows balances to perform with precision despite air currents and vibrations

AVT ANTI VIBRATION TABLE - 10619204

**Feature :**

- 400 x 450mm surface area.
- Two-table construction reduces interference with the scratch-resistant granite slab
- Lightweight tubular aluminium frame

## THERMAL PRINTER - 10618825

A general purpose thermal roll printer, the ATP2 is ideal for use with most balances and scales with RS232 output.

THERMAL PRINTER - 10618825

**Feature :**

- Direct thermal line printing
- Print size 24 x 24 dot
- Column size 384 dots per line
- 2.3 ± 0.02" / 57.5 ± 0.5mm paper width
